

Vintage

Vintage excels in performing the hits of popular R & B vocal groups of the last four decades. Performing with the backing support of the *Fresh Air* band rhythm and horn sections, *Vintage* will rock the house with either one of two show sets.

The first show is a **Motown Revue** that features hits by the Four Tops, Temptations, Jackson 5, and Smokey Robinson, complete with the rich harmonies and the dazzling dance steps that were such an integral part of that era. Your guests will pack the dance floor when *Vintage* takes the stage, singing along word for word, and mimicking every move they make.

If you prefer, *Vintage* will present a **70s and 80s** set that includes plenty of funk, disco, and heartwarming ballads. This show highlights the music of groups such as the Manhattans, O'Jays, Kool & The Gang, The Whispers, The Spinners, The Stylistics, and KC and the Sunshine Band.

The following lists are examples of the material found in the show sets by *Vintage*. A typical set runs approximately 40 minutes. The group reserves the right to select the content and order of each show. Some selections may change:
